

EDUCATION ROUNDTABLE

FRI, FEB 19, 4:00 – 5:00 PM

**NORTH CENTRAL ESD
2ND FLOOR PONDEROSA ROOM**

Dear constituents:

We're about halfway through the 2016 legislative session. It's important for me to touch base with the people I represent. Please join me for a town hall discussion about education. As a former school board member, I understand the importance of hearing from teachers and classified staff who work directly with our students.

I hope you can join me.
